## Sasrapid Life Membership Announcement

**At their 2013 Annual General Meeting, Sasrapid Inc. awarded Life Membership to long time participant, Wayne Jeffrey and two exceptional long-time supporters, Bob Harrap and Richard Bruggemann.**

Wayne Jeffrey has been an outstanding participant for over 15 years in many of Sasrapid supported sport programs. He has competed in the Lord's Taverners Shield (State Indoor Cricket) Team from 1996 through to 2013 only missing in 2008, 2009 and 2010. He has played in both the Sasrapid/Woodlands ICA indoor cricket program and Open Woodlands ICA teams, as well as assisting with umpiring of indoor cricket and soccer. Wayne was also a member of the Goodwood Saints FC C7 Division Team in 2003, 2006 and 2008. Wayne is described as generous with his time and a very deserving recipient of Life Membership to Sasrapid.

Richard Bruggemann has been an integral character in the story of Sasrapid since day one. In 1982, whilst heading up the Intellectual Disability Services Council, Richard signed off on the funding which established Sasrapid and allowed Marie Little OAM to pursue her passion. Since that time, Richard has been a strong supporter, coming onto the Committee of Management in 2006 and taking on the role of President in 2010 after the retirement of Marie. Richard stated "I am honoured to receive life membership to Sasrapid, an organisation committed to the inclusion of people with intellectual disabilities through their participation in sport".

Bob Harrap has been a dedicated supporter of Sasrapid over many years, both as a parent of a participant and as a Director. He is someone who has a strong social conscience and whose expertise in law has been invaluable, especially in the writing of our new Constitution in 2010. Bob joined the Committee of Management in 2003, retiring as a Director in 2012 and remaining Sasrapid's Honorary Legal Consultant. Bob stated "I am proud to have been associated with such a worthwhile and committed organisation".

Sasrapid congratulates all three 2013 Life Membership recipients, their support and generosity has been invaluable to the vision of Sasrapid, 'To build an inclusive culture in sport and recreation that embraces every individuals ability'.

The sole purpose of Sasrapid is to enhance the lives of South Australians living with disability by supporting them to access community sport and recreation opportunities.
